Did this course meet its STANDARD OBJECTIVES?

yes, my mom is an NAET practitioner in INDIA (licensed 15 years ago) and I have learnt newer techniques through this course ensemble and will help mom improve her practice with the knowledge this course has given me.

Did the Instructor Demonstrate adequate knowledge about the course subject?

The videos were apt and to the point, well informed and case examples shared were helpful to understand the topic better.

Did the instructor utilize appropriate teaching methods

Pictures , flowcharts and demonstration videos were good. I encourage the teaching faculty to add in more video sessions (rather than audio clips)to help the student learn better and familiarize with the course.

Do you feel that you will be able to apply what you have learned from this course to your practice?

Yes. this course has helped me understand the NAET technique and I am confident to practice them on my family members first (as instructed by Dr Devi) and on my patients.

Would you recommend this course to other licensed medical professionals?

Yes it would be great if my fellow colleagues could access this new method of healing.

Do we have your permission to share your views with other practitioners?

yes
